

MUTHAYAMMAL COLLEGE OF ARTS & SCIENCE
CENTRE FOR BIOTECHNOLOGY
AWARD IN MASTER OF PHILOSOPHY (M.PHIL.,) SCHOLARS LIST

S.NO	NAME	YEAR	TITLE OF THE THESIS
1	Sonali Das	2003	In vitro propagation and electrophoretic studies on Vitex negundo Linn. – a medicinally important plant
2	Nikhat Yasmin	2004	Micropropagation and electrophoretic studies on Passiflora mollissima (HBK) bailey
3	Hemalatha .P	2004	Selection & Amplification of an hyper variable region of p85 alpha insulin gene by polymerase chain reaction
4	Resmi. S. Krsihnan	2004	Study of the production of a comparable segment of human DNA using single locus VNTR (variable number tandem repeat) primer
5	Menaka R	2005	Micropropagation and antibacterial studies on Passiflora edulis sims a climber medicinal plant
6	Pavithra K	2005	Interspecific Variation Studies On <i>Passiflora</i> Species
7	Anjani kuamri .N	2006	Isolation Of Fusion Protein Gene Of Onnew Castle Disease Virus By Rt-Pcr Using Precisely Designed Flanking Sequence As Primers
8	Rathi. R	2006	Preliminary Analysis Of Polymorphism Of Bola Gene Of Closely Related Cattles By Rflp Of Pcr Amplified Gene

S.NO	NAME	YEAR	TITLE OF THE THESIS
9	Kavitha M.S	2007	Optimization Of Tissue Culture And Hairy Root Culture Techniques For Rutin Production In <i>Tephrosia purpurea</i> (Linn.) Pers.
10	Nazneen Bobby.Md	2007	Intergeneric Hybridization Studies On <i>Ganoderma</i> And <i>Pleurotus spp</i> Through Protoplast Fussion Technique
11	Periyasamy .N	2007	<i>Invitro</i> Analysis Of Auxin Production And The Effect Of Phosphate Solubilization In Garden Beans
12	Santhavel. M	2007	Hepatoprotective Effect Of <i>Ganoderma lucidum</i> On Streptozotocin Induced Diabetic Rats
13	Vikram Krishna B	2007	Preparation Of Nucleic Acid Probe By Random Labelling Of Full Length Fusion Gene Of Newcastle Disease Virus
14	Vineeth. C. Mohan	2007	Invitro Amplification Of F Gene Of Ranikhet Disease Virus And Its Comparison With Invivo Amplification By Plasmid Cloning
15	Baby Jerald. A	2008	Comparative Analyses on Flunaccine strains against the Human Influenza A virus Subtype H5N1
16	Bliss Ramya Joan. J	2008	<i>In vitro</i> Studies on Antibacterial Activity of <i>Moringa olerifera</i> and <i>Sesbania grandifcora</i> (L) Pers
17	Mohanamathi.R.B	2008	Studies on Clonal Propagation <i>Achyranthes aspera</i> L. And <i>Achyranthes bidentata</i> - Blome
18	Murugesan. P	2008	Studies on The Incidence of Oral Cancer in And Around Namakkal District

S.NO	NAME	YEAR	TITLE OF THE THESIS
19	Rajasekar. K	2008	Antidiabetic, Antioxidant, Antimicrobial Activity of Wedelolactone in Streptozotocin Induced Diabetic Mice
20	Regha. P	2008	Studies on <i>In vitro</i> Regeneration And Antimicrobial Screening of <i>Boerhaavia diffusa</i> L.
21	Aruna M.R	2009	Bioremediation Studies on Fattyacid Profile of Stress Tolerant Cyanobacteria (<i>Phormidium ambiguum</i>)
22	Pavithra K	2009	Studies On Micropropagation And Antimicrobial Activity Of <i>Alternanthera sessilis</i> L.
23	Sudha R	2009	Studies On Micropropagation, Antimicrobial Activity And Isoenzyme Analysis Of <i>Mentha arvensis</i> L. (MINT)
